### Premier Presentation of Spring Tailormades

**F**ASHION proclaimed her preference for the Tailored Suit and inspired her master designers here and abroad to create refreshingly new and delightfully different types for the approaching season.

View the latest originations in the Lord & Taylor collection, a brilliant exposition of the Couturier's art. The final authoritative expressions of Drecol, Martial-Armand, Premet, Callot, Lanvin, Jenny and others, as to the Mode Sartorial, the new Silhouette, the new Fabrics and Colors.

Two distinctly different types of the Tailleur have been successfully launched.

#### The Strictly Tailored Suit

inimitably smart in cut, whether straight or loose, belted or semi-fitted. Waistcoats are cleverly introduced; braid employed to subtly emphasize unusual lines. Tight shoulders, close fitting sleeves, mannish collars and revers are dominant notes.

In the perfection of tailoring, the details, hand-finished, the little niceties, these equal the finest custom-made Suits.

#### Suits of More Formal Type

Models of marked elegance, with their embellishments of hand embroidery in silk and beads, in wool, in braid; with gay gilets and vestes of brocades, moon-glo crepe, tricolette and metal duvetyne.

Fringed panels, slashed coats, strikingly picturesque, suggest the Directoire influence. Others possess the rare and potent charm of originality.

Fabrics are of the Finest Textures

Tricolettes, Poirer Twills, Men's Wear Serges, Duvetyns, Velour Cloths, Tricotines, Worsteds, Tweeds, Checks, Hair line Stripes—and the linings of Pussy Willow, Printed Crepes and Peau de Cygnes.
